

# CHRISTMAS BY LAMPLIGHT

Saturday Evenings, December 5, 12, & 19, 2009

## ACTIVITY LIST

### DRAMATIC PERFORMANCES

Come see the who's who at the **Victoria and Albert Ball**. Watch the talented couple as they dance and perhaps even join them.

School is in session with **"homework for the holidays"**. Be careful not to end up in the corner wearing the dunce cap!

Visit with **Father Christmas** as he wanders around the village giving out candy canes to all the good boys and girls, of all ages!

Listen to a dramatic reading of **T'was the Night Before Christmas** while you enjoy a traditional sugar plum.

### ENTERTAINMENT

Every night, the Town Hall will feature a **folk band** that will keep your toes tapping and hands clapping.

There's always a party at the Irish house where all visitors are welcome to do a jig to some **great fiddling**.

The Doctor's House is always a nice experience with **Jamie Levac** playing piano by the roaring fire. Perhaps the **Village Carolers** will stop by to join him.

### VICTORIAN FOODS

As you stroll through our many Victorian homes, you will be greeted by costumed staff offering great Victorian treats such as **Turkish Delights, Candied Orange Peels, Sugar Plums, Peppermint Pastilles, Cheese Straws, and Shortbread Cookies**.

Nothing says Christmas like **roasted chestnuts** over an open fire. No one can stop at just one.

Be a child again and participate in a good 'old fashioned **taffy pull**.

Come warm up by the fire and sip on **mulled apple cider** or a nice **hot chocolate** drink.

### TRADITIONAL CRAFTS & DEMONSTRATIONS

Watch and learn as woven, paper star **ornaments** are created and hung on the tree.

Kissing bows, wreaths and more. Our head gardener can tell you everything you would ever want to know about **Christmas greenery and décor**.

Jingle bells, jingle bells! The Harness Maker has **sleigh bells** for every size of sleigh.

Did you know optical toys were the first moving pictures? Make your own **Thaumatrope** to take home.

Create lots of ornaments and gifts throughout the village such as **beaded icicles, spinning tops, embossed gift cards, paper punch angels** and more.

Watch the Tinsmith making **tin ornaments and tin lanterns**.
